

ADDENDUM NO. 1

TO: ALL BIDDERS OF RECORD

PROJECT: LEWIS AND CLARK CAVERNS WATER SYSTEM IMPROVEMENTS

FWP #: 7096103

DATE: February 2, 2012

FROM: Great West Engineering, Inc.

Acknowledge receipt of this addendum by inserting its number and date in the Proposal Form and on the Bid Envelope. Failure to do so may subject bidder to disqualification.

This Addendum forms a part of the Contract Documents. Clarification and/or modifications area as follows:

- 1) Clarification – A Notice of Award will be issued to the apparent low bidder within 30 days of the Bid Opening. The successful bidder will have 15 days to enter a fully executed contract, per Section 7.3, Instructions to Bidders. Prior to issuance of the Notice to Proceed, monthly Applications for Payment may be received by the Owner, and approved by the Engineer, for material costs and Performance, Labor and Material Payment Security Bond costs by submitting actual cost invoices. Five percent (5%) retainage will be withheld on all progress payments until final acceptance is achieved, per General Conditions, Section 9.3.7.
- 2) Modification – Add the following to the end of Section 00910, Special Provisions:

SP- 25 SCHEDULING REQUIREMENTS

Within 30 days after the Contract is awarded and executed the Contractor shall provide all submittals for the project. Please note, Unscheduled Employment of the Engineer will be charged to the Contractor for any Incorrect or incomplete submittals requiring re-review.

By September 1, 2012 the Contractor shall show evidence of acquiring the treatment building, and all piping, pumps, and treatment equipment required for

the project. The treatment building shall be stored at the building fabrication facility until delivery to the site. The remaining materials and equipment shall be stored at a secure location controlled by the Contractor. The Contractor is responsible for the safety of the building, materials, and equipment. The Contractor is responsible for any damage or theft of the building, materials, and equipment while in storage. The Contractor shall provide access to the Engineer or Owner to inventory and inspect the stored treatment building, materials, and equipment. The Owner will pay for the building and equipment as Stored Materials in accordance with the Contract documents.

The Contractor shall understand that Owner will, without exception, charge all liquidated damages and unscheduled employment of the engineer if the contract time is exceeded.
